Classroom Teaching Assistant
Full time, fixed term until end July 2025
Term time only
Grade 15 Point 4

Are you looking for a varied role, working across the primary age range? Are you excited about the idea of working flexibly, supporting groups of children with their class work, wellbeing and relationships with their peers? Would you like to join a close-knit team of committed staff who will get to know your strengths then support you to develop them in order to achieve the best outcomes possible for our fantastic children?

If this sounds like the perfect job for you, please get in touch with us here at Wookey Primary School. We need a full-time teaching assistant who is adaptable and keen to learn. Ideally, you will have qualifications and experience working with children in the 4-11 age range but you may have different, relevant skills that would support you in this new opportunity.

This role is as a general classroom teaching assistant, supporting learning in our Year 3/4 class, although we are looking for someone who would be interested in seizing opportunities for a range of roles and development possibilities in school.

This post is for a full time position, however a job sharing arrangement may be considered if this can be accommodated.

Come and visit us to get a feel for the school and our ethos. Please call 01749 673650 to arrange a time or email the office at school.423@wookeyprimaryschool.co.uk
