Youth Parliament Elections

The Youth Parliament event is an opportunity for children to experience what it is like to support their community and get a taste of presenting and defending their ideas. As part of the event, delegates will have the opportunity to meet a member of Youth Parliament and local spokespeople, and share their ideas with other schools in the Somerset area.

I had the honour of being invited to listen to the Year 6s nominees' speeches this week. I was so impressed with their ideas, their expression of their personal qualities and their professional, confident delivery. All of them should be incredibly proud, no matter who is finally chosen to represent the school.

Mrs Ash on OPAL

We have been battling with the elements this week, and have had to rely more on the playground than the field. Thank you so much for everyone who has donated resources that the children can use. You can see they have still managed to have a great time.

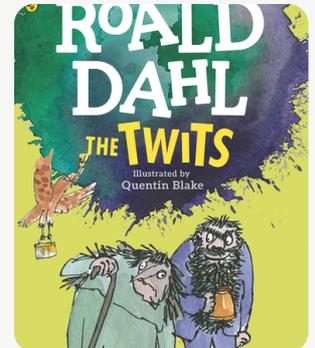

Reading Zone

Book Review by Harry

The Twits by Roald Dahl is my favourite book because the main characters get the shrinks. I like that part because it is a silly prank.

I would tell my friends to read this book because it is really funny and will make them laugh. I would give this book a 10/10 star rating. You should have a read too!

Willow Class news

This term, we have been learning about the South West in geography. We have been learning to use atlases to find out more about our region, and we have been enjoying working in groups.

This week, each group designed our own settlement. We found out that some of us would like to live in a hamlet, and others of us would prefer a megacity!
