

Fun Science After School Programme at Wookey Primary Term 2 '22/'23

After half term, Fun Science will be coming to run our after school club for an hour a week after school on a Tuesday. The programme is open to children in years 1 -6.

There will be a mix of bubbling potions, mini explosions, science crafts and gross science! All of our sessions are hands-on and full of lots of fun experiments! Activities will be different to those done previously, so children are welcome to join us again.

The cost for the 5 week programme is £35.

**TUESDAY** - Sessions weekly from **10<sup>th</sup> January – 7<sup>th</sup> February.**

The sessions will run for an hour after school (3:20-4:20) and will be located in a room on site at the school.
