Message from Mrs Fisher

We are always looking at ways to enrich our curriculum and ensure our children take part in a range of different experiences. This week, Chestnut Class took part in a printing workshop by a local artist, year 5 and 6 girls took part in a Girls Football Match at Whitstone School and we all came together to commemorate Remembrance Day. Let's also not forget Children In Need, where we had a sea of spots in assembly. If you would like to donate to this worthy cause, please follow this link; https://donate.bbcchildreninneed.co.uk/default-2.
Now that our new starters are settled and routines and expectations are in place, we thought it would be a good time to re-share our Relational Behaviour policy, which is available on our website - https://www.wookeyprimaryschool.co.uk/about/policies-and-documents/. Also, just as a reminder we have an inset day on Monday 23rd November, where school will be closed for children. We hope you have a lovely weekend.

Maths

This term's maths challenge is inspired by the artist Andy Goldsworthy. He uses natural objects/materials to create his artwork, just like the examples shown in the photos.

Mrs Salma would love to see the children creating their own patterned artwork (it could be symmetrical or contain a repeating pattern) at home using natural resources they find outdoors, such a colourful leaves, twigs, stones, conkers, acorns and pine cones.

Please either upload/send photos of the artwork to Seesaw or print them off and hand them in to Mrs Salma by Monday 14th December. Certificates and prizes will be handed out in assembly that week.

PSHE Curriculum Consultation

Thank you to everyone who shared their views during our recent PSHE curriculum consultation. Following consideration of the feedback received, we have decided not to include explicit teaching about FGM within our Year 6 PSHE curriculum. Instead, we will strengthen teaching around body ownership, bodily autonomy and seeking help from trusted adults.
As part of this, pupils will learn the important message:

"Your body belongs to you. Nobody has the right to hurt, change or alter your body, and if anyone makes you feel unsafe, confused or worried, you should tell a trusted adult"

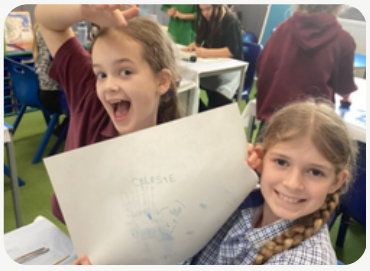

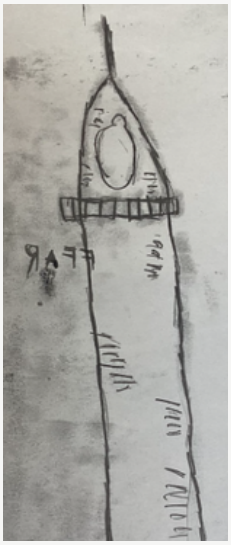

We would like to thank parents for their feedback and support in helping us shape our PSHE curriculum.

Chestnut Class

On Wednesday, artist Molly Britton, who is a sculptor and printer, showed us her amazing art and taught us how to print. We had to put paint on a glass sheet, place paper on it (fish and chip paper), then use pencils and the end of paintbrushes to make a design. When we turned them over the design had carved into the front! I thought it was great fun to use the rollers and everyone did creative and impressive work.

After School Clubs

We now have a number of clubs taking place after school. As a reminder:

Monday - Art Club and Netball
Tuesday - Cross Country
Wednesday - Football
Thursday - Lego Club
Friday - No clubs currently.

If you would like to book your child on, please contact the school office for prices and availabiltiy.

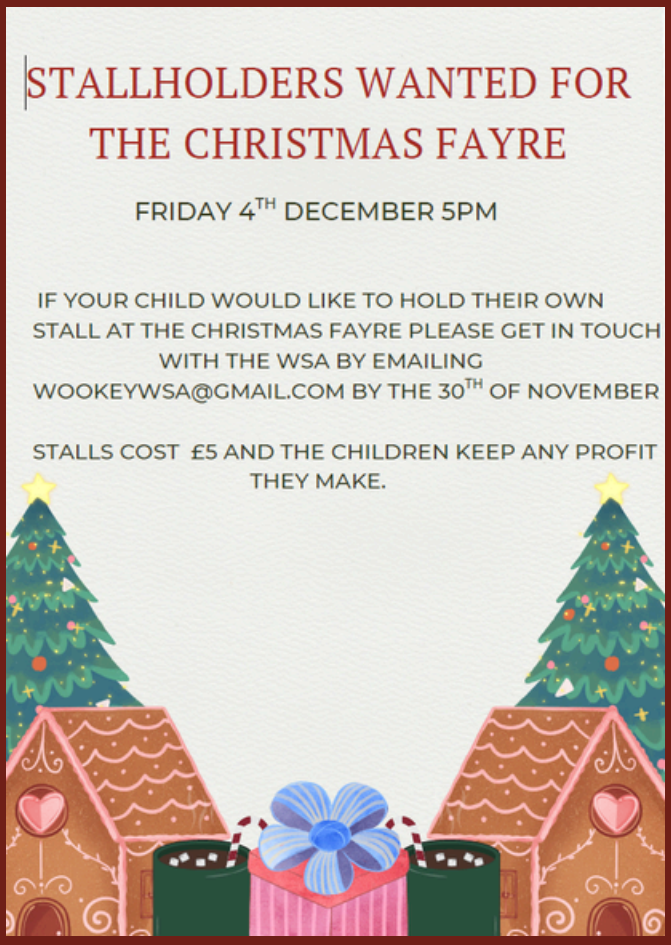

Remembrance Day

On Wednesday, we all came together in the school playground at 11am to show unity and respect for Remembrance Day. The children were incredibly mature when taking part in the 2 minute silence and then a discussion took place in classrooms and in assembly about the significance of the day.
