Tuesday 21st - Leavers' lunch 1pm, speeches and rounders from 1.45pm

Wednesday 22nd - Wookeyfest morning and last day of school year

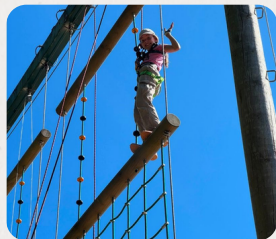

Monday, September 7th - First day of the new school year

Message from the Headteacher

We've made it to the end of another busy week and, especially given the lateness in the term, the heat and, for Chestnut, the effects of a weekend away, we're very proud of how well everyone is coping and how much effort is still being made in all of their learning. It was a pleasure to welcome our new starters for September to the annual Teddy Bear's Picnic this week. The children all had a lovely time playing on the field after their lunch and parents got a chance to meet up, or meet new faces. We had an extra treat at our celebration assembly this morning, when Willow performed one of the songs they have been preparing for the Wookey Hole concert on Monday, which they sang beautifully. We were also treated to a piano concert earlier in the week, when Becky's pupils shared how much they've learnt this year. A reminder we have school photos on Monday and the Chestnut play will be performed twice later in the week. Walking bus Monday and Friday ONLY to allow for their rehearsals. Finally, reports will be out on Monday, via Seesaw, along with a second message containing your child's attendance certificate for the year. You are invited to contact the class teacher if you want to talk through any elements of this in the first instance. I have enjoyed reading them all again this year, and would like to thank the teachers for their commitment to writing such personal, positive and constructive reports.

Barton Hall PGL

What a fantastic trip Chestnut had last weekend! The children showed real bravery, pushed themselves to try new things and supported each other brilliantly throughout the trip. There was also plenty of laughter along the way – especially from the adults when the children ended up in the lake - and lots of new experiences enjoyed. Our staff team were incredibly proud of the children and the way they represented our school; showing resilience, teamwork and enthusiasm from start to finish (even on the coach home!). Well done, Chestnut Class; you are fantastic!

Dance for Rights by Clem

On Tuesday, Willow class took part in Dance for Rights. First, we did a warm up game. It was super fun and everyone loved it. Next, we learnt about trusting your partner and being able to fall. It was really good. Then we did this dance where we did our hobby, our personality and what makes us unique. It was really, really fun. Near the end, we put everything we learnt together to make one big dance. Altogether, it was really, super, mega fun.

RHSE Policy Consultation

This morning, we sent out a very important message on Seesaw regarding updates to our Relationships, Health and Sex Education (RHSE) policy.

Because high-quality safeguarding and health education is a partnership between school and home, we want to hear your views! The Seesaw post includes a copy of the new draft policy for you to review, as well as details about a proposed safeguarding unit for Year 6.

How to share your views: Please take a few minutes to read the Seesaw message and click the link at the bottom to complete our brief consultation survey.

The consultation window closes on Wednesday 22nd July.

Reading - Bath Children's Literature Festival by Mrs Fisher

This annual event is taking place between the 25th September and 4th October and offers children the opportunity to meet some of the most popular children's authors at a very reasonable cost. There is often a range of activities including author talks, guided illustrator sessions, and shared story time. This year Hannah Gold, Julia Donaldson, Pari Thomson, A. F. Steadman and Jamie Smart are all attending as well as many more. Tickets are now on sale and more information can be found on this link. <https://bathfestivals.org.uk/childrens-literature/>. Last year, I saw Hannah Gold and she was brilliant!

Wookey Primary School

Dates 2025-26
